QUOTATION OF DIESEL GENERATOR SET

Date:30th April 2026

Valid: 30 days

Model	50hz 220/380V 3phase				Diesel Engine		A.C.Alternator	Soundproof type		Controller	ATS	Silent Type
	Standby output		Prime Output		Model / Output	Brand	Stamford Type	Packing (mm)	Weight	Smartgen	OPTIONAL	Diesel Genset
	KVA	KW	KVA	KW				(L x W x H)	Kg			EXW price
Diesel generator set												
GFS-250	250	200	225	180	6D10D258A	RICARDO	JET274J	3800*1200*1900	2865	JET POWER	US\$245	US\$11,034
SD-250	250	200	225	180	6DTAA8.9-G24		JET274J	3600*1400*1800	2400	HGM6120U	US\$245	US\$12,224
C-250S	250	200	225	180	6LTAA8.9-G2		JET274J	3200*1200*1800	2550	HGM6120U	US\$245	US\$17,877

Voltage is optional

The Genset specification as follows

- 1- Brand new **original** water cooled diesel engine
- 2- Brand new Top quality brushless AC alternator,3-Phase,50hz, 0.8PF, IP23, H insulation class
- 3- Genset equipped with radiator with engine driven fan mounted on skid. Engine with specially brand air filter, Oil filter, Fuel filter system
- 4- Engine,Alternator and other part, it is install on brand new top quality steel frame, with whole protection, prevent rust, prevent deformation, long service life.

5- Genset Control System: Digital- HGM6120 Automatic control system of diesel generator include, High speed protect, High water temperature protect,

low oil pressure protect, 3 phase Voltage,current and frequency,calculagraph,output power, LED display with AMF functions

6- Genset equipped with MCCB with CE,IEC,TUV and UL standard

7- Advanced Anti-vibration pad with stainless steel body and top class rubber

8- 12/24V DC Electric start system with maintenance free battery and Battery connect wire

9- Equipped with industrial class silencers with flexible connects and elbow. can reduce noise more than 10-15 db.

10- Genset with fuel tank at least 8 hours running, Tank with Fuel meter and fuel filling port on the base frame of genset

11- Genset with Engine manual,Alternator manual, Genset operation manual, Controller manual and standard engine tools kit

12- Othe optional function: ATS System, Parallel Operation System, Remote Control System, Remote Monitoring System

Payment terms:T/T

Delivery time: Within 30 days after receive the deposit.

Packaging details: Plywood / Wodden Case / Export Standard Packing ,according to the buyer.

Warranty validity:12 month or 1000 hour working time

Certificate:ISO9001 ISO14001 and CE standard
